Lunch Ordering at BCS

Although BCS does not have an in-house cafeteria, we do offer a variety of hot lunch options from local restaurants for our students each day. Some of these options include Chickfila, Moe's, Subway, Popeye's, and Papa Johns. Orders are placed through your RenWeb account one month in advance. Parents will receive an email notification each month when lunch ordering opens and closes. Lunch ordering will be open for 3-5 days; orders must be placed and paid in full during this time. Once ordering has closed, it cannot be reopened, and orders placed cannot be changed or refunded. If you have any questions about lunch orders, please call the school office.

Placing Orders Through RenWeb

Step 1: Log in to your RenWeb account. On the left side of the screen, click **Student Information**.

Step 2: On the left side of the screen, click **Lunch**. A calendar of the current month's menu will appear. Items that have been ordered are displayed in blue.

Step 3: On the top right of the screen, click **Create Web Order**. The Lunch order Form will display, listing each student in the family.
