

Are you ready to get involved?

Here's how you do it....

- Confirm your email address and cell phone number are listed correctly in the school directory on the FACTS website: <https://factsmgt.com/>. If you have any trouble logging-in, call the school office and they will assist you. If you need to update any of that information, they can help you with that as well.
- Download the free GroupMe chat app to your phone. You should already be added to a Grade-level chat group and a House Family chat group. If you do not see them listed after you log-in to your app, please contact the BPC House Manager bpcHouseManager@bayshorechristian.org for assistance. Watch for fellowship events and volunteer sign-up needs to be announced in your House Family GroupMe chat.
- Complete the BPC Interest Survey [here](#). Watch for emails from the leadership team throughout the school year when help is needed in the areas you selected on the survey. Completing the survey does not automatically sign-up you to volunteer for those events.
- Sign-up to assist with specific school events. The sign-up links are posted on the BPC webpage: <https://bayshorechristian.org/bayshore-parent-community/> (Our webpage is linked on the Current Families page of the school website for easy reference.)
- Read The Column–Bayshore's weekly email newsletter. BPC announcements will be posted periodically in the Logic & Rhetoric School section. If you aren't receiving The Column each week via email, call the school office for assistance.
- If you have any questions, feel free to contact the BPC President or Vice President. bpcPresident@bayshorechristian.org and bpcVicePresident@bayshorechristian.org
